FIRA KOLLEKTION 2026

BY FIRALUX DESIGN

JEDE LEUCHE EIN STATEMENT.

Mit über 30 Jahren Erfahrung in Design und Engineering steht Firalux Design AG für Lichtlösungen mit Präzision, Ästhetik und Langlebigkeit. Die neue Fira-Kollektion vereint hochwertige Materialien, exakte Verarbeitung und ein konsequent reduziertes Design.

Jedes Bauteil wird aus einem Stück Aluminium gefräst, jede Leuchte individuell auf Bestellung gefertigt. Zum Einsatz kommen ausschliesslich bewährte Komponenten – für maximale Zuverlässigkeit im Einsatz.

Die breite Farbpalette sowie unsere Signature-Farbe Cappuccino bieten Spielraum für architektonische Gestaltung – passend zu natürlichen Materialien und modernen Raumkonzepten.

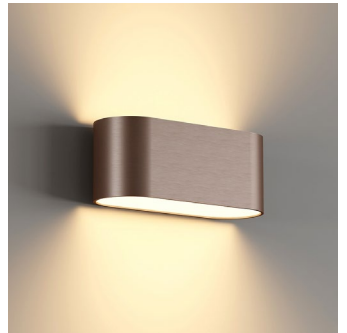

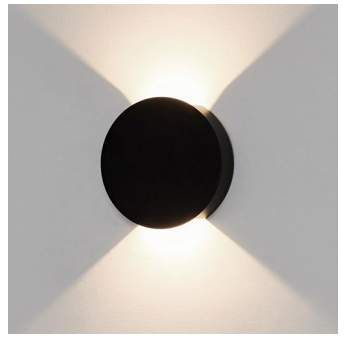

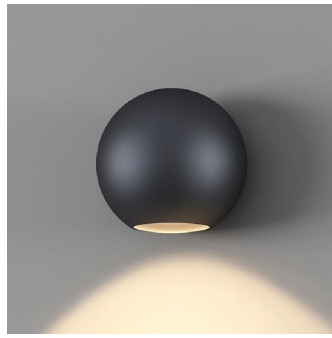

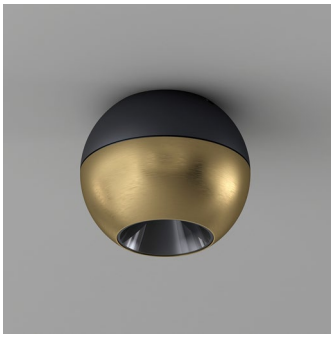

Mit 5 Jahren Garantie und kompromissloser Qualität ist Fira die Wahl für Alle, die Licht als integralen Bestandteil ihrer Gestaltung verstehen.
